## Attention Voters!

### DID YOU RECEIVE THE CORRECT BALLOT?

The application receipt given to the voter serves 2 purposes:

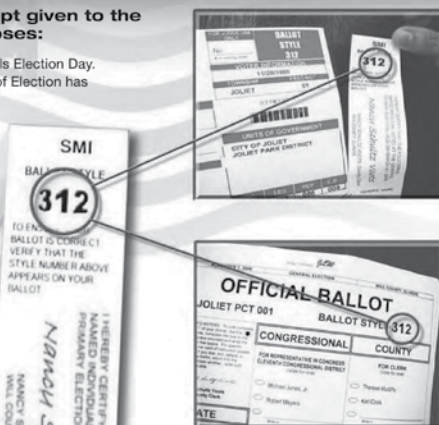

1. It proves you voted at the polls Election Day.
2. It helps to ensure the Judge of Election has given you the CORRECT ballot.

Your ballot is assigned to you based upon the Ballot Style Listed on your Application To Vote.

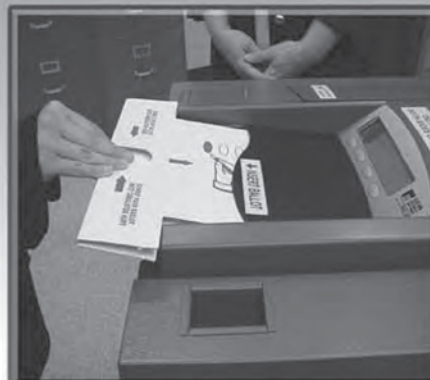

Once you have the correct ballot style go to the voting booth and —Mark Your Ballot

**It's that Easy!**

Just Darken the Oval!

Always verify that the Judge of Election has given you the correct ballot by matching up the Ballot Style Number on your receipt against the Ballot Style Number near the top of your ballot!

Before placing your ballot into the ballot counter, check to make sure you have voted on the correct voting districts.

If you have any doubts or questions, refer to your Voter ID Card or consult with the Election Judge at your polling place immediately to verify that you have the correct ballot for your voting districts.

Once you have placed your ballot in the ballot counter, your vote is final and cannot be changed.

Grace Period Voting is only available in the County Clerk's Office beginning January 6th through January 26th. Individuals must also vote at the same time. They may not vote at the polls on Election Day. Grace Period ballots are then counted on February 16th along with any Provisional Ballots.

**Voting at the Polls** – Election Day voting at your designated polling place. **Polls are open 6:00 a.m. – 7:00 p.m.** Refer to your Voter Registration card for polling place.

**Provisional Voting** - An individual may be a provisional voter if there is a question about their registration status or their eligibility to vote in the election. On February 16th, election judges (one from each political party) verify the registration information for each provisional voter. If your registration information proves to be valid, your vote would be counted that day.
